THE PRESIDENT'S ADVISORY COMMISSION
ON UNIVERSAL TRAINING
1712 G Street, N.W.
Washington 25, D.C.

12 March 1947

Lt. Gen. Hoyt Vandenberg, Director
Central Intelligence Group
2430 E Street, N. W.
Washington 25, D. C.

Dear General Vandenberg:

The President's Advisory Commission on Universal Training appreciates your cooperation in making available to us the daily Foreign Broadcast Intelligence Report which we requested in our letter of 27 February 1947.

In the course of discussions with members of the Foreign Broadcast Intelligence Branch incident to securing back numbers of this report from January 1 to date, we have asked about the possibility of getting from your office a report on the reaction in foreign countries, as disclosed by foreign broadcasts, to the President's message to Congress of March 3, 1947, advising that no attempt would be made at this time to extend the Selective Service Law beyond March 31, 1947. The President's Advisory Commission on Universal Training would like very much to have such a report prepared by your staff summarizing all reaction from foreign broadcasts to the expiration of the draft law. We understand that there is already available in the Foreign Broadcast Intelligence Branch the material from which such a report could readily be prepared.

Sincerely yours,

/s/ John H. Ohly
